WORSHIP THEME - Love Isn't Always Easy 'Love one another just as God loves you' John 13 v 34

This week in worship we have been thinking about how it's sometimes hard to show our love for each other and to behave in a kind and caring way. In particular we have been thinking about getting on with our brothers, sisters, cousins and parents.

In worship we thought about times we have fallen out with our family and the reasons why. We have reflected on the way we might have behaved because we become frustrated and some of the hurtful things we might say.

We have thought about the need to respect each other's differences and to try and understand things from another person's point of view so that we can compromise.

I hope that you see some compromising at home this weekend!

SPACE DAY

On Monday the Planetarium from Herstmonceux Science Centre came into school to support Year 2 and Year 5 with their learning about Space.

In the planetarium the children got to go exploring the universe and visit different planets learning lots of new and interesting facts, as well as being able to show-off the things they had already learnt.

The children fully immersed themselves in this fun experience by coming in dressed in space themed clothes.

Here are some photos of the day.

PARKING/ANTI-SOCIAL DRIVING

I am so sorry to have to bring this up again but some parents are still ignoring the advice given and the pleas made to keep our children safe.

Once again may I remind parents that they must not drive down to the school gate at drop-off in the morning or pick-up at the end of the day, even if running late. There is only a very small turning space and it puts children at risk as they are walking into and out of school. Cars have mounted the pavement whilst turning round!

Please do not park on the entrance to the car park or near the junction as this makes it hard to cross safely and is dangerous. Never mount the pavement to pass a car.

We will only keep our children safe with your help and consideration; I am therefore now taking the measure of asking you to report incidents of anti-social driving to Operation Crackdown.

<https://webcontact.sussex.police.uk/asdprs/>

You will need to provide the following information when completing the online form:

- The vehicle registration number (licence plate)
- Make, model and colour of vehicle
- Details about when and where the incident happened
- Any information that may help us identify the driver

Please park and drive considerately to keep all of our children safe—let's not have a child seriously injured outside our school.

FOOTBALL MATCH

Next week the Football Team are playing in the next round of the Collins Cup. They are playing Little Common at home (Pestalozzi Field) and I would like to wish them the best of luck for Thursday afternoon. Kick-off is at 3:45 pm so if you are able to, please do come along and support our amazing football team.

BARNSELY TRUST

This week I met with the trustees of the Barnsley Trust. This is a charitable organisation who are able to use a bequeath to enhance the children's learning and educational experience. They have recently paid for the Sensory Garden and we were met to see how else they could support the children's learning. I am very pleased to be able to tell you that they have agreed to fund a complete refit and restock of the school libraries which is amazing. In addition to this they have agreed to fund one school trip per class up to an agreed amount each school year. This will start from this academic year. We hope all families will find this beneficial.
